

St. Christopher's Episcopal Church

Reveals the light of Christ as a beacon of light in the world

Congratulations and best wishes on your wedding plans. We want to help make your wedding at St. Christopher's a blessing to you and all who participate in helping you celebrate. In that regard, please read carefully the information contained in this packet. In addition to the "rules and regulations" regarding the use of our sanctuary and other spaces, you will find guidance in marking the beginning of your marriage with beauty and ease.

St. Christopher's sanctuary is a beautiful space that seats approximately 300 persons. A center aisle boasts a perfect setting for your "momentous "walk down the aisle". We have several rooms that are available to you as a special gathering space for your bridal party to dress and prepare for your event.

You may book your wedding in our sanctuary up to 18 months in advance of your wedding date, with all fees remaining at the quoted rates for that year. We hope that the following information will guide you through your wedding plans. You will find a convenient checklist at the end of this packet for your use as you complete each step of the planning process. If you still have questions after reading through these materials, feel free to call one the Wedding Committee members:

**Karen Barnes (864) 680-3021, Cindy Hray (864) 680-3021,
